## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. Claims 2-8 are allowed over prior art of record.

### ***Reasons for Allowance***

2. The following is an examiner's statement of reasons for allowance:

After further search and consideration of Applicant's arguments of June 21, 2007, it is determined that the prior art of record neither anticipates nor renders obvious the claimed subject matter of the instant application as a whole either taken alone or in combination, in particular, prior art of record does not teach "wherein the eight first sub-transistors and the eight second sub-transistors are arranged in a four by four matrix, the eight second sub-transistors occupy eight diagonal positions of the four by four matrix, and the eight first sub-transistors occupy positions of the four by four matrix that are not the diagonal positions," as recited in claim 8.

Claims 2-7 also allowed as being dependent of the allowed base independent claim.

### ***Conclusion***

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
